

Interdisciplinary PhD-Seminar KFO273, KFO274 and FOR260

27.02.2014

The three clinical research groups KFO273, KFO274 and FOR260 are organising a common interdisciplinary PhD seminar in the summer session 2014. It starts on 8 April 2014. The members will gather every Tuesday at 5:00 PM in the IFIB (Interfakultäres Institut für Biochemie) in Tübingen.
