

## **Praise and criticism**

The staff members of the Department of Urology are constantly striving to keep the quality of services at the highest possible level at all times for the benefit of the patients.

We need your praise, suggestions, comments or criticism to be able to constantly improve our services for your benefit.

## **Give us your feedback**

You can give feedback directly on the Internet. Just complete and submit the online feedback form below.

[Feedback questionnaire of UKT](#)

## **Personal contact:**

Of course, we will also be happy to accept your praise or criticism personally.

**University hospital feedback hotline:**
